Sandra Southwell

Sandra was born into a horsey family and spent her childhood attending pony club and local shows as well as breaking in and re-educating ponies. As Sandra got older the family would travel the show circuit competing at Brisbane, Sydney, Melbourne and Adelaide Royals as well as major agricultural shows.

In about 1974, Sandra with her mother Iris and brother Shane brought a team of show horses to Tasmania. As many people do, they fell in love with our state and decided to move here permanently.

Throughout the 1980's and 1990's, Sandra dominated both Hack and Riding classes in Tasmania with horses such as Tarantella, Anna Karenina (Anna K) and the enigmatic Christopher Robin.

Sandra ignited a passion for horses and riding in many children through her residential riding camps. Not a one trick pony, Sandra was also proficient at riding side-saddle, driving harness horses, stock work etc.

Her tragic death in a light plane crash in 2018 was devastating for her many friends and so to honour her contribution to the equestrian community a decision was made to introduce the class **"The Sandra Southwell Memorial Lady Rider."**

Kim Bilton

With a lifelong passion for horses, Kim's journey in the equestrian world began at a young age, nurtured by countless Saturdays spent at riding lessons—thanks to her parents who drove her to the riding school week after week. After the family moved to acreage, Kim was thrilled to purchase her first horse at the age of 14. A few years later, she added an Australian Pony named Bellewen Gold Seal, who became the foundation of her stud, "Vichand." For over 40 years, Kim dedicated herself to breeding one or two foals annually, focusing on Australian and Riding Ponies. Sharing this experience with her daughter Monica was a true joy; together they achieved significant success at prestigious events such as the Melbourne Royals and the APSB Stud Show, as well as numerous local competitions. As life changed during the pandemic—with Monica relocating and Kim's knees not as strong as they once were, she decided to retire from the world of showing and breeding ponies. Yet her competitive spirit remains alive! Kim has been showcasing her Hungarian Vizsla, Zali, and this year proudly won Best of Breed at the Melbourne Royal.

Today, Kim is honoured to give back to the industry that has shaped her life by judging and stewarding at the Show Horse Council and various local events.

Kim says she looks forward to supporting and encouraging the next generation of equestrians at
